9.3.24 Exterior Modifications to Existing Dwelling Restrictions.
The following requirements/restrictions are applicable to all existing Dwelling Units.

9.3.24.1 Approval Information:

9.3.24.1.1 Before any exterior modification to any Dwelling Unit may begin, the Application for Modifications to Existing Lot or Dwelling/Addition must be filled out and submitted to the Board of Directors.

9.3.24.1.2 All modifications to the exterior of any Dwelling Unit or Lot, including the condominium building, must be reviewed by the Architectural Review Committee (the "ARC") and receive prior written approval from the Morningside at Martin's Run's Board of Directors.

9.3.24.1.3 Once work commences it must be worked through to completion and must be completed within three consecutive months. If work is not completed within the allotted time, the Owner may appeal to the Board of Directors for an extension of time not to exceed 90 days.

9.3.24.1.4 Work may be undertaken by individual Owners but it is strongly suggested, for larger construction projects such as room additions, a licensed contractor is hired.

9.3.24.1.5 A building permit is required for any addition attached to the main structure. All permits must be obtained from the Lorain Building Department.

9.3.24.2 Plan Requirements for Board of Directors Approval: Plans are required to be submitted, reviewed, and approved by the ARC. Once the ARC makes a

recommendation to the Board of Directors, the Board of Directors will approve or deny the submittal in writing to the Owner. In order to expedite issuance of a written approval, complete sets of plans should be submitted. Incomplete submittals will cause delays in the approval of the project. These required plans will assist in acquiring building permits from the Lorain Building Department.

The following are guidelines for preparation and submittal of drawings. Specific drawing requirements will depend largely upon the extent, nature and complexity of the work to be done. Some items listed below may not be required for every project.

Note: Please remember, the more complete and accurate the drawings and submittal documents, the sooner approval can be issued.

9.3.24.2.1 Drawing Size: Drawings to be prepared on paper that is at a minimum 8 ½" x 11" in size, but 11" x 17" is suggested, unless a certain size is specifically required by local or state agencies with the authority to authorize construction.

9.3.24.2.2 Sets of Drawings: Submit four complete sets of drawings.

9.3.24.2.3 Clarity: All drawings must be prepared to be sufficiently readable and clear for creating a digitized record. Drawings must be quality blue or black ink line drawings with uniform light (white) background color. Pencil drawings are unacceptable, but copies of pencil drawings can be submitted provided copies are readable with good contrast.

9.3.24.2.4 Dimensions: All drawings must be fully dimensioned. Plot plans must have a north arrow.

9.3.24.2.5 Scale: All drawings must be drawn to an adequate scale with scale indicated. Recommended scales for drawings are:

Plot Plans: 1/8" = 1'-0", 1"=10' or 1"=20'

Floor Plan, Sections and Details: 1/4" = 1'-0" or 1/2" = 1'-0"

9.3.24.2.6 Existing (E) and New (N) Construction: Throughout the plans, be sure to label all new (N) and existing (E) construction, to distinguish between new work to be done and the existing work.

9.3.24.2.7 Required Plans:

9.3.24.2.7.1 Site (Plot) Plan: Show the property lines and the location of all existing and proposed new structures. The use of the topographical drawing received when building the Dwelling Unit would serve this purpose best.

9.3.24.2.7.2 Floor Plan (For additions): Plan view to include the patio area and adjacent to the addition. Rooms must be dimensioned and labeled.

9.3.24.2.7.3 Elevations: Include the following: Top, side and front elevations dimensioned. Materials to be utilized. (Samples to be provided) Colors to be used. (Samples to be provided)

AMENDMENT B-19

9.3.25.1. Addition Specific Restrictions:

9.3.25.1.1 All additions must be one story structures not exceeding the height of the existing ridge line of the Dwelling Unit and must comply with the Lorain County Building Department's restrictions.

9.3.25.2.4 Roof must be installed slope to match the existing structure's roof line. The ARC will confirm

allowable roof lines. It is the Morningside at Martin's Run's Board of Directors' intent to approve roof construction which most allows the new structure to blend in with the existing Dwelling Unit.

9.3.25.2.5 The roof must be shingled and match existing Dwelling Unit shingles in style and color.

9.3.25.3 "Manufactured" Addition Requirements: All "Manufactured" additions must comply with the following construction standards.

AMENDMENT C

INSERT a new BYLAWS ARTICLE 3, SECTION 3.18 entitled, "Indemnification of Board Members, Officers, and Committee Members." Said new addition, to be added on Page 6 of the Bylaws as recorded at Lorain County Records, Instrument No. 2011-0364775, is as follows:

Section 3.18 Indemnification of Board Members, Officers, and Committee Members. The Association must indemnify: (1) any current or former Director, (2) any current or former officer of the Association, (3) any current or former committee member, and/or (4) any of said Director's or officer's, or committee member's respective heirs, executors, and administrators; against reasonable expenses, including attorneys' fees, judgments, decrees, fines, penalties, or amounts paid in settlement, actually and necessarily incurred by him/her in connection with the defense of any pending or threatened action, suit, or proceeding, criminal or civil, to which he/she is or may be made a party by reason of being or having been such Director, officer, or committee member provided it is determined, in the manner set forth below, that (i) such Director, officer, or committee member was not and is not adjudicated to have been grossly negligent or guilty of misconduct in the performance of his/her duty to the Association; (ii) such Director, officer, or committee member acted in good faith in what he/she reasonably believed to be in, or not opposed to, the Association's best interest; (iii) in any criminal action, suit, or proceeding, such Director, officer, or committee member had no reasonable cause to believe that his/her conduct was unlawful and is not convicted of theft or other theft related crime including but not limited to larceny, forgery, false pretenses, fraud, embezzlement, conversion, and/or any conspiracy

related to any such theft related crime; and (iv) in case of settlement, the amount paid in the settlement was reasonable.

The above determination required will be made by written opinion of independent legal counsel the Board of Directors chooses. Notwithstanding the opinion of legal counsel, to the extent that a Director, officer, or committee member is successful in defense of any action, suit, or proceeding, or in the defense of any claim, issue, or matter, he/she must, in that event, be indemnified.

(a) Advance of Expenses. The Association may advance funds to cover expenses, including attorneys' fees, with respect to any pending or threatened action, suit, or proceeding prior to the final disposition upon receipt of a request to repay such amounts.

(b) Indemnification Not Exclusive; Insurance. The indemnification provided for in this Section is not exclusive, but is in addition to any other rights to which any person may be entitled under the Articles of Incorporation, the Declaration, these Bylaws, or rules and regulations of the Association, any agreement, any insurance provided by the Association, the provisions of Section 1702.12(E) of the Ohio Revised Code and its successor statutes, or otherwise. The Association must purchase and maintain insurance on behalf of any person who is or was a Director, officer, or committee member against any liability asserted against him/her or incurred by him/her in such capacity or arising out of his/her status as a Director, officer, or committee member.

(c) Directors, Officers, and Committee Members Liability. The Directors, officers, and committee members, of the Association are not personally liable to the Owners for any mistake of judgment, negligence, or otherwise, except for their own willful misconduct or bad faith. The Association's indemnification includes, but is not limited to, all contractual liabilities to third parties arising out of contracts made on behalf of the Association and every contract or agreement made by any Director, or officer will mean that such Director

or officer is acting only as a representative of the Association and will have no personal liability, except with respect to any such contracts made in bad faith or contrary to the provisions of the Declaration or these Bylaws and/or as an Owner.

(d) Cost of Indemnification. Any sum paid or advanced by the Association under this Section constitutes a Common Expense. The Board of Directors has the power and the responsibility to raise, by special Assessment or otherwise, any sums required to discharge the Association's obligations under this Section; provided, however, that the liability of any Owner arising out of the contract made by any Director, officer, or committee member or out of the aforesaid indemnity in favor of such Director, officer, or committee member is limited to such proportion of the total liability as said Owner's pro rata share bears to the total percentage interest of all the Owners as members of the Association.

Any conflict between this provision and any other provisions of the Declaration and Bylaws are to be interpreted in favor of this amendment for the indemnification of the Association's Directors, officers, and committee members. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.
