

Calling All Gardeners,

Good news! After a VERY LONG winter SPRING has arrived. If you would like to learn more about our GARDEN CLUB please make plans to join us at the Clubhouse on May 10, 2018 - 7pm. That night we will be assigning GARDEN SPACES and discussing plans for the coming season. We also look forward to meeting many new Flower Gardeners. We can use your help getting our Common Grounds ready for the Spring planting. So, if you have an interest in our Flower Gardening please join us May 10th. Thank you in advance for helping to make the 2018 Garden Club the BEST ever.

See you soon,
